THAT INJUNCTION.

(Continued from First Page.)

property in said Village will be affected by the doing of the acts hereinafter complained of. And said plaintiffs bring this action on behalf of said Village of Perrysburg, Wood County, Ohio.

That said Village of Perrysburg, Wood County, Ohio, is a municipal corporation duly organized under the laws of Ohio, and the defendant, Freeman E. Bowers, is its Mayor and the defendant, Walter E. Escott, is its Clerk. Said Village has no Solicitor.

That on the 4th day of June, 1908, said Village of Perrysburg by and through its council adopted a resolution, entitled "Resolution No. 260" providing for the issue of bonds of the Village of Perrysburg, Ohio, in the sum of \$15,000.00 to pay the Village's portion of the cost of improving Louisiana Avenue, and in and by said resolution authorized the issue of three bonds of \$5,000.00 each maturing June 1st, in the years 1909, 1910 and 1911 respectively, bearing five per cent interest payable semi-annually and pledged the faith, credit, revenue and property of said Village to the payment thereof.

That under and pursuant to said resolution said Village has caused said bonds to be prepared and signed and executed by the said Mayor and Clerk and the corporate seal of said Village to be attached thereto, and has caused bonds to be placed in the hands of the defendant, Thomas M. Franey, who now holds the same.

That on the 4th day of June, 1908, said Village by and through its council adopted another certain resolution, entitled "Resolution No. 261" awarding the \$15,000.00 street improvement bonds authorized by resolution No. 260, to the purchaser thereof, whereby said Village authorized its said Mayor and Clerk to deliver said \$15,000.00 of bonds to one A. D. Gilmore upon the payment by him of the par value thereof and accrued interest thereon.

That said bonds have not yet been delivered, nor has said purchaser paid the money therefor, and the improvement for which said bonds were authorized has not been made or any part thereof.

That said Village and its Mayor and Clerk are threatening to and will unless enjoined therefrom, issue and deliver said bonds to said purchaser and said Thomas M. Franey will deliver and cause said bonds to be issued and put into circulation unless enjoined therefrom. All to the great and irreparable injury of said Village of Perrysburg of these plaintiffs and all other taxpayers of said Village, for which they have no adequate remedy at law.

Plaintiffs aver that said issue of bonds aforesaid is illegal and void, and that said Village, its council and officers have and had no power or authority to execute or to issue said bonds, because

1st. The total value of all property in said municipal corporation of Perrysburg, as listed and assessed for taxation is the sum of \$413,050.00 and said Village is by law limited and prohibited from the creation of a bonded debt in any fiscal year exceeding one per cent of said sum, to-wit: \$4,130.50.

2nd. Because said Village is prohibited by law from creating or having at any time a net indebtedness in excess of four per cent of the total value of its taxable property aforesaid, unless such excess shall be authorized by a vote of the qualified electors of said Village. That on the 1st day of September, 1905, said Village issued eight bonds of \$543.74 each to pay for Front Street Improvement, six of which bonds amounting in the aggregate to \$5,062.44 are outstanding, unpaid, and a bonded debt of said Village, and the addition of said sum of \$15,000.00 bonded debt so attempted would be in excess of the amount authorized by law.

3rd. Because the question of issuing bonds of said Village, in excess of one per cent of the value of its taxable property in said fiscal year, was never submitted to the qualified electors of said Village, nor was the question of authorizing indebtedness in excess of four per cent of the value of said property ever submitted to said electors and no vote was ever had or attempted to be had upon such propositions or either of them.

4th. Because said Village is limited by law to the creation of, or having a bonded indebtedness under any circumstances in excess of eight per cent of the total value of all property in said corporation as listed for taxation. And its bonded debt cannot by law exceed the sum of \$320,490.00.

That in addition to said Front Street Improvement bonds outstanding to the amount of \$5,062.44 aforesaid, there are also outstanding and unpaid, bonds of said Village to the amount of \$30,000.00 authorized and issued on August 1st, 1905, for the construction of Water Works, and the income from said Water Works is sufficient to pay the operating expenses and the interest upon said bonded debt. And plaintiffs aver that the increase of said bonded debt in said sum of \$15,000.00 as now attempted, would make the total debt greatly in excess of that authorized by law.

5th. Because said Village never offered said \$15,000.00 bond issue to its sinking fund trustees, and never advertised the sale of said bonds in any manner as required by law, but said Village by and through its officers awarded said bonds without any competition to said A. D. Gilmore, when said Village might have sold said bonds if legally authorized and issued at a much better price than proposed to be paid by said Gilmore.

Plaintiffs further aver that said Village of Perrysburg has no funds in its treasury sufficient in amount to pay the portion of the cost of said proposed improvement of Louisiana Avenue, which would be assessed against the Village generally, and it has no authority in law to proceed

with said improvement until the necessary funds are lawfully provided for, but notwithstanding said Village and its officers threaten to and will proceed with said improvement unless restrained therefrom, to the great and irreparable damage of said Village, the plaintiffs and all other taxpayers thereof.

Wherefore plaintiffs pray that a temporary injunction may be allowed herein enjoining and restraining said Village of Perrysburg and its officers from issuing and delivering said bonds for the improvement of Louisiana Avenue to the amount of \$15,000.00 or any other sum whatever and restraining said Freeman E. Bowers, as Mayor and Walter E. Escott as Clerk of said Village from in any manner issuing or negotiating said bonds, and restraining said defendant, Thomas M. Franey from delivering said bonds to said A. D. Gilmore or any other person for the purpose of placing the same in circulation; and restraining said Village and its officers from in any manner proceeding to let any contract for the improvement of said Louisiana Avenue, or taking any action toward the making of said improvement until the further order of the Court herein, and that on the final hearing hereof such injunction be made perpetual and for all such other and further relief as is just and equitable.

Attorneys for Plaintiffs.

Escott as Clerk of said Village from issuing and delivering the bonds of said Village in the sum of \$15,000.00 or in any sum whatever for the improvement of Louisiana Avenue and from in any manner proceeding to let any contract and from taking any action toward the making of said improvement, and restraining the defendant, Thomas M. Franey from delivering said bonds to A. D. Gilmore or any other person for the purpose of placing the same in circulation.
